

The Patterson Trust Postdoctoral Fellowship Program in Brain Circuitry

Scientific Review Committee

Thomas M. Jessell, Ph.D. (Chair)

Claire Tow Professor
HHMI Investigator
Department of Biochemistry & Molecular
Biophysics
Center for Neurobiology & Behavior
Columbia University Medical Center

J. Anthony Movshon, Ph.D. (Co-Chair)

Silver Professor
Professor of Neural Science and
Psychology
New York University
Director, Center for Neural Science

György Buzsáki, M.D., Ph.D.

Board of Governors Professor
Center for Molecular and
Behavioral Neuroscience
Rutgers University

Pasko Rakic, M.D., Ph.D

Duberg Professor of Neurobiology and
Neurology
Chairman, Department of Neurobiology
Director, Kavli Institute of Neuroscience
Yale University School of Medicine

Harvey A. Swadlow, Ph.D.

Professor of Behavioral Neuroscience
Department of Psychology
University of Connecticut

David W. Tank, Ph.D.

Hillman Professor
Department of Molecular Biology and
Department of Physics
Co-director, Princeton Neuroscience
Institute
Princeton University

Leslie Vosshall, Ph.D.

Chemers Family Associate Professor
Head of the Laboratory of
Neurogenetics and Behavior
Rockefeller University

**A Program of
Bank of America, Trustee**

**Administered by
The Medical Foundation**
